

WINTER RIDING CAMPS

Dressing for Winter Riding:

Our modern facility is fully equipped to handle winter weather. Your child will be comfortable in our heated theory and lunch room areas. Radiant heaters provide sufficient heat for our indoor arena to make winter riding more pleasant. However, the arena as well as the barn can become much cooler than expected. Dress your rider in layers and hand and foot warmers are encouraged!

What riders need to bring:

- Properly fitted industry approved riding helmet
- Boots to ride in with no more than ¼' heel
- Warm Clothes! Dress in layers!
- Extra winter gear such as winter gloves, boots, and extra socks.
- Hand and foot warmers work great at keeping the chill at bay and are strongly recommended
- "Litter-less" Lunch
- Hot chocolate mug (labelled with name)
- Change for vending machine

Please note that YERS **cannot** supply helmets and/or boots
