

YORK EQUESTRIAN SUMMER CAMP PROGRAM GUIDE

York Equestrian prides itself in finding friendly, kind and safe horses and ponies that are suitable for children of all ages and riding ability.

A Day at Camp

Camp runs from 8:30 am to 3:30 pm - Ages 7-14

Extended care is available from 3:30 to 5:00 pm at a cost of \$15+hst per day. Arrangements can be made on a daily basis.

Each day campers will participate in two riding lessons. Campers will be divided into small groups according to their age and level of experience. These lessons will allow beginner riders to develop basic walk and trot skills. Riders with experience will work to advance and improve their riding position and skills. Scheduled horsemanship activities will educate students on safety around horses, grooming techniques, general horse care and equipment.

Group Placement Breakdown

New Rider – rider has had little to no experience. Little experience would include pony rides, trail rides or a handful of lessons. This rider has little to no experience in grooming and tacking up a horse.

Beginner – rider has done at least 2 weeks of our camp program in the past. These riders have basic steering skills at the walk and can post trot in rhythm. This rider is also working to strengthen their steering and control at the trot. Rider has basic knowledge and skill in grooming and tacking up but still requires assistance.

Novice – rider has good steering control and body control in the walk and trot. This rider is able to guide their horse through a pattern with precision in the trot. Rider also has basic skill in the canter. Rider can independently groom and tack up a horse.

Intermediate – rider has been in a consistent lesson program that has them riding confidently in walk, trot and canter a pattern with good steering and rhythm control. This rider has started working over fences (jumps). Rider can independently groom and tack up a horse.

Experienced – rider has been in a consistent lesson program that has them riding confidently in walk, trot, canter and can work over fences in a course. Rider is able to groom and tack a horse independently.

This break down is a guide to help parents and riders understand how we assess skill level at York Equestrian. Our number one priority is the safety of our riders. Campers will not be placed or moved into a different riding group unless the instructor feels it is suitable. Day one of camp is assessment day.

Our Facility

York Equestrian Riding School is one of the finest riding facilities in southern Ontario. It is located 35 minutes from Toronto. Our Summer Camp lessons run in our large indoor arena or in our extra-large outdoor arena. Our camp facilities include a big indoor lounge, classroom and washrooms. Our camp room is fully equipped with a fridge and microwave to deal with all lunch time needs. Our cubby room offers a safe place for campers to store their bags and equipment.

YORK EQUESTRIAN SUMMER CAMP PROGRAM GUIDE

Summer Camp Staff

The majority of our Summer Camp staff work in the riding school throughout the year and implement a year-round curriculum to help develop students over a continuous, long-term period. Whether your student is just starting out or continuing their equine education our staff are well equipped to develop your young rider.

When does Summer Camp Run?

Summer Camp runs for 9 weeks during summer vacation. Each camp session runs from Monday to Friday. For specific dates please refer to our Registration Form.

Cancellation Policy

Cancelled bookings 8 days or more prior to the start date of the camp session will be charged a \$300.00+hst cancellation fee. **NO** refunds will be provided for bookings cancelled 7 days or less prior to the start date of the camp session or once camp has commenced. **NO EXCEPTIONS!**

What Campers Need to Bring

- Properly fitted industry approved riding helmet
- Boots to ride, with heel no more than ¼ inch
- Riding pants; can be proper riding breeches or leggings. Jeans are also acceptable. No baggy sweatpants please as they can be a hazard.
- Riding gloves to protect hands from leather reins
- Running shoes for games
- Sun screen, bug spray, hat
- Refillable water bottle
- "Litter-less" Lunch

*Please note that YERS **cannot** supply helmets and/or boots

Dressing for Summer Riding

Our modern facility offers many comforts in the summer heat. Our air-conditioned camp room offers a cool place to eat lunch and take shelter from the sun. Our large, airy indoor arena offers a sheltered place to ride from the hot sun. Riders are encouraged to bring sunscreen to protect bare skin. Riders **must** wear full-length pants when riding! They are welcome to change into shorts when they are not riding. T-shirts are the best article to wear on top. Flowy shirts are not recommended as they are a catch hazard. Please no jewelry at the barn. Only exception are stud earrings. Other items can become lost or damaged.
